

CAPITAL IMPROVEMENT PROGRAM 20078 PROJECT SCHEDULE

PROJECT NO.		SW0601		PROJECT DESCRIPTION A PER, design, and construction project based on extending a water line across highway 6 at the Amil gates, to serve the Newland property with non-potable water for amenity lakes and irrigation needs. The project would consist of the review, design and construction of a pump station at the water source, and transmission infrastructure across highway 6 to the Newland property, which would utilize available surface water rights.
